# The Path That Brought Us Here

**RoarFest '26 DigiMag**

Every great club begins with a simple idea. In 2008, Wycombe Lions was founded by a small group of friends united by their passion for cricket and a shared belief that sport has the power to bring people together. What started as a humble initiative has since grown into a thriving and inclusive community, proudly continuing the vision on which it was built.

Wycombe Lions Cricket Club (WLCC) has developed steadily over the years. Our cricketing calendar begins each January with net practices, followed by a short Easter break, and culminates in a competitive match season running from May through to early September. In recent seasons, it has been particularly encouraging to see younger players flourish—contributing confidently as batters, bowlers, fielders, and wicketkeepers.

Beyond the game itself, our Sunday friendlies are enriched by shared food, post-match tea, and plenty of friendly banter with familiar teams, reinforcing the strong social bonds within the club.

Alongside cricket, the Wycombe Lions Badminton Club (WLBC) has become a vibrant part of our sporting culture. Sessions are held every Sunday from 8:00 pm to 10:00 pm and continue to attract a growing number of regular players. Membership has expanded significantly, with more children and women joining, making the club increasingly inclusive and energetic. This growth has seen us expand from two courts to three, reflecting the rising enthusiasm and participation.

Sport isn't the only part of the Wycombe Lions story. We are equally committed to bringing families and friends together through community events. Roar – The Family Fun Night by Wycombe Lions is our annual year-end celebration, where members and friends gather to enjoy food, music, and laughter. The most recent event, held at Colombar London on 7th November 2025, was a tremendous success, creating memorable moments for everyone involved. We look forward to welcoming even more faces at next year's celebration.

Our flagship event, RoarFest – The Festival by Wycombe Lions, is the club's biggest programme to date. Scheduled for 3rd January 2026, RoarFest is designed not only as a grand cultural and musical celebration, but also as a vital fundraiser supporting our cricket, badminton, and community initiatives. The greater the support RoarFest receives, the greater the benefit to our members—helping to reduce participation costs and enhance the overall quality of our club activities.
