A Vibrant Evening Celebrating Sri Lankan Culture and Community

The Atrium Festival commenced promptly at 5:00 p.m., transforming the atrium into a lively and welcoming space that reflected the spirit of Sri Lankan culture and community. Despite the day being notably cold and freezing, the dedication and coordination of our members and sponsors ensured a smooth and timely setup well before the festival opened to guests.

Thanks to the strong sense of community collaboration, sponsors arranged their stalls efficiently and attractively, creating an engaging environment for attendees. The atrium soon filled with guests who enthusiastically explored the wide range of offerings available throughout the evening.

Visitors enjoyed authentic Sri Lankan food and beverages, which quickly became a highlight of the festival. Shopping stalls showcased Sri Lankan products including traditional items, plants, perfumes, and handcrafted goods. The festival also provided a valuable platform to meet Sri Lankan entrepreneurs, as well as professionals from finance, insurance, and mortgage advisory services, alongside wedding and event planners. This blend of culture and commerce reflected the growing strength and diversity of the Sri Lankan business community.

Entertainment and engagement played a central role throughout the event. The 360-degree camera experience attracted steady crowds, allowing guests to capture memorable videos, while many also took photographs near the WLSC backdrop, creating lasting keepsakes of the evening.

Midway through the festival, the atmosphere was further elevated by the first dance performance of the evening, presented by the Nilame Gedara Dancing Team. Their colourful and energetic performance brought traditional artistry to the atrium and significantly boosted the festive mood among the audience.

As the evening progressed, excitement continued to build. At approximately 5:50 p.m., guests gathered and lined up in anticipation of the musical show, marking the transition to the next major highlight of the festival.

Overall, the Atrium Festival stood out as a well-organized and vibrant event that successfully brought together culture, entertainment, entrepreneurship, and community spirit proving that even on a cold evening, warmth can be created through collaboration and celebration.

An Evening to Remember

As the main hall filled and guests took their seats, a sense of anticipation settled over the audience. At approximately 6:00 p.m., the long-awaited musical journey of RoarFest '26 officially began.

Setting the tone for the evening was **Viraaga Orchestra**, widely regarded as the foremost Sri Lankan classical ensemble in the United Kingdom, performing under the **musical direction of Vimarsha Jayasinghe**. The orchestra created a rich and immersive soundscape, blending sitar, flute, violin, dual keyboards, bass guitar, acoustic and rhythm guitars, alongside both Western and Eastern percussion. This carefully balanced ensemble provided a refined musical foundation that elevated every performance throughout the night.

The programme was formally opened by **compere Sajith Wathsala**, whose poised delivery, warmth, and measured energy established an immediate connection with the audience and guided the evening with quiet assurance.

The performers the orchestra, the three superstar vocalists, and even the compere appeared in coordinated colours throughout the evening. Whether carefully planned or a fortunate coincidence, the visual harmony subtly echoed the colours of the Wycombe Lions logo, adding an understated sense of unity to the presentation.

The evening's musical journey began with the first of the night's superstars, **Suneera Sumanga**, who opened his performance with a timeless composition by the revered giant of Sri Lankan classical music, Dr. W. D. Amaradeva. Introducing the song with quiet reverence, Suneera paid tribute to the Maestro and expressed his gratitude to Dr. Amaradeva's son for granting him the honour of performing these cherished works. He then delivered a moving rendition of "Aradhana," song of Maestro setting a deeply reflective tone for the night. Suneera followed with his own much loved hit, "Nela Ganumata," before returning once more to Amaradeva's rich musical legacy with "Sanda Horen" and "Pera Dinayaka" tributes to and originally sung by Dr. Amaradewa. Each performance was met with attentive silence and warm appreciation from the audience.

He concluded this segment with another of his popular songs, "Dinaka Apitath," filling the hall with the unmistakable warmth of his voice. Between songs, Suneera shared personal reflections and stories behind the music, offering the audience rare insight into his life and artistic journey. These moments of storytelling added an intimate dimension to the performance, transforming the concert into a shared and deeply human experience.

Anjali Herath followed, taking to the stage with a calm assurance that immediately commanded attention. She opened with “*Thara Para*,” originally sung by Malani Bulathsinhala, and continued with much loved Dr. Nanda Malini’s “*Obai Ramya*” song. Anjali then turned to her own repertoire, performing “*Aadare Pata*” and “*Thibiya Nohakida*.” Each song was delivered with controlled emotion and quiet intensity, resonating deeply across the hall. Her voice carried a rare sincerity, holding the audience in reflective stillness and leaving a lasting impression long after the final note.

The mood shifted as **Erandi Heshani** made her entrance, bringing a renewed sense of energy and colour to the evening. She began with Priya Sooriyasena’s super hit “*Aatha Ran Wiman*,” before moving seamlessly into the popular Hindi song “*Saiyyara*.” She concluded her segment with the lively Tamil classic “*Kannodu Kanbathellam*.” Blending expressive vocals with graceful movement, this beautiful young girl Erandi infused the hall with warmth and vitality, drawing the audience into a moment of shared celebration.

Adding a distinctive community dimension to the programme, the Wycombe Lionesses took to the stage with a graceful and deeply moving dance performance to “*Punsanda Eliyai*,” presented as a tribute to the late Latha Walpola. Dressed in traditional Kandyan sarees rich in colour, heritage, and expression the performance reflected both cultural pride and artistic dedication.

Their poise, coordination, and evident commitment were met with warm appreciation from the audience, who responded with genuine delight. More than a performance, it stood as a proud celebration of the women’s collective spirit, their tireless dedication, and the strength of community talent that continues to enrich occasions such as RoarFest '26.

As this vibrant segment concluded, the intermission began. The atrium quickly filled with conversation and activity, as guests gathered around food stalls and shared the evening’s early highlights, recreating the atmosphere of a festive village and setting the tone for the continuation of an already memorable night.

The second session of RoarFest '26 commenced at approximately 8:15 p.m., reopening the evening with colour and rhythm. The Nilamegedara Dancing Team set a festive tone with their vibrant performance drawing warm applause from the audience.

This was followed by a particularly touching moment, as children took to the stage with a dramatic dance sequence from the iconic stage drama "Bera Handa," performed to the song "Hanika Warew Kollane." Their performance fun, confident, and utterly delightful stood as a proud contribution from the Wycombe Lions' youngest members and was met with enthusiastic appreciation from the audience.

Music returned to centre stage with the second session by **Suneera Sumanga**. He opened with his widely celebrated hit "Santhana Susum," one of Sri Lanka's most popular contemporary songs, inviting the audience to sing along. In an unscripted and memorable moment, a young girl of the Nilamegedara dance troupe joined him on stage still in costume and revealed a remarkable vocal talent. Her performance surprised both the audience and Suneera himself, becoming one of the evening's most unarranged highlight.

Suneera continued with two cherished classics of Dr. W. D. Amaradeva "Wikasitha Pem" and "Kumariyaka Pasalaba" before concluding his set.

He then joined members of the Wycombe Lions organising committee for the raffle draw. Eleven winners were announced, receiving seven musical show tickets and four cinema tickets. Importantly, the entire proceeds from the raffle were dedicated to the Rebuild Sri Lanka Fund, raising a meaningful contribution through the generosity of attendees.

“MANEKE”- Home of Sri Lankan Cuisine

Experience the authentic taste of Sri Lanka (Formerly known as CHOICE OF TASTE).

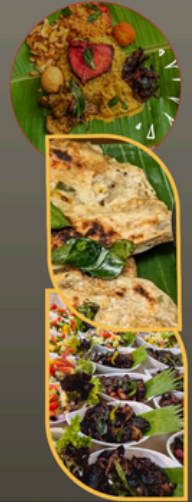

Our culinary journey is rooted in the heart of Sri Lanka, where vibrant spices, slow-cooked curries, and carefully balanced flavours come together to create an unforgettable dining experience.

LIVE COOKING

Hoppers & Kottu Roti

The successful delivery of RoarFest '26 was the result of collective effort, commitment, and goodwill shown by many individuals and organisations from the very inception of the idea through to its final execution.

While we have highlighted key areas of contribution, we respectfully note that other than naming our three principal artists we have chosen not to list individual names, to avoid any unintended omission. We sincerely apologise for this and thank you for your understanding.

From the earliest stages of concept development to the conclusion of the event, we are deeply grateful to all those who stood by us. Our sincere appreciation goes to our ticket partners, whose support extended far beyond ticketing, facilitating artist and vocalist bookings, managing the ticketing system, providing marketing assistance, and offering valuable guidance during the planning stages.

We extend our thanks to the many community based social media groups and individuals who helped publish our digital advertisements and ticket links, ensuring effective communication across platforms. To everyone who purchased tickets from the very first online booking to the final ticket sold just before the event you provided us with the confidence, encouragement, and momentum needed to carry this vision forward.

Our sponsors played a vital role in strengthening the event financially, and we are sincerely grateful for their trust and backing. We also thank Cressex Community School, along with the Head Teacher and staff, for their professional support from venue booking through to hosting and concluding the event.

Special appreciation is extended to the coordinators who managed the artists' visits, ensuring timely rehearsals and seamless participation on the event day.

We offer our heartfelt thanks to our superstar artists Suneera Sumanga, Anjali Herath, and Erandi Heshani for your support from the very beginning. Your contributions through promotional video clips, your cooperation during rehearsals, and your professionalism and warmth on the event day were invaluable. Your humble engagement with the schedule and generous interaction with the audience through photographs and souvenirs truly elevated the experience for everyone.

Our sincere thanks go to the manager and members of the orchestra for your exceptional commitment and professionalism. Your musical excellence set the benchmark for quality, and we confidently commend you to any event organisers across the UK.

We also acknowledge the sound and stage lighting teams for their technical expertise and dependable support. To our sponsors and vendors who arranged stalls despite challenging weather conditions your dedication ensured the Atrium Festival commenced on time and with vibrancy.

A special word of thanks goes to our audience, who turned out in impressive numbers despite freezing conditions, bringing energy, warmth, and a truly positive atmosphere that defined the success of the evening.

We gratefully acknowledge our sponsors for artist make-up and dance support, whose contributions added colour and polish to the performances. We also extend our sincere appreciation to our official photographers and to everyone who shared event highlights following the programme. Your efforts played a vital role in preserving and amplifying the spirit of RoarFest '26.

Special thanks are extended to the generous ticket providers who contributed complimentary tickets for the raffle draw, helping us raise funds for the Rebuild Sri Lanka Fund. We also sincerely appreciate everyone who purchased raffle tickets, as well as our WLSC youngsters whose enthusiasm and support in selling the tickets played a vital role in the success of this initiative.

We are equally grateful to all our friends who shared their genuine kind words of appreciation, encouragement, and constructive feedback before, during, and after the event. Your support and insights are truly valued and have contributed meaningfully to the success and growth of this initiative.

We also thank the sponsors of the RoarFest '26 Digital Magazine for placing their trust in us your support enabled us to capture and share the essence and highlights of this memorable event, including this very note of appreciation.

Finally, our deepest gratitude goes to the Sri Lankan Society in High Wycombe and the members of Wycombe Lions Sports Club. Your support from ticket sales and sponsorship assistance to financial management, event organisation, facility arrangements, dance arrangements, and active participation was fundamental. Without your dedication, this event would simply not have been possible.

We warmly invite you all to continue this journey with us by joining our upcoming membership initiatives for 2026, as we work together to share the benefits of our collective efforts with the wider community and, most importantly, our children.

With sincere thanks and appreciation.
RoarFest '26 Organising Committee
